## Beaver Scouts: (ages 5 – 7)

- Fun and friendship is the cornerstone of the **Beaver Scouts** program.
- Beaver Scouts opens the door for your child to discover the world. It is filled with a little bit of everything – outdoor activities, games, music and sports. Along the way, Beaver Scouts meet new friends, learn cooperation and teamwork and develop self-confidence.
- Beaver Scouts are welcomed into a group of energetic boys and girls just like them. They will meet with kind and caring leaders that will help them with anything they need to know about being a good Scout. They will feel respected and appreciated for their own uniqueness, and encouraged to bring all they can to their group and activities.

## Beaver Scout Promise

- *I promise to love God and help take care of the world.*

## Beaver Scout Law

Scout-Guide Week runs from February 15 - 22. We celebrate this week to honour the birthday of Lord Robert Baden-Powell (Feb. 22, 1857), who, in 1907 started the Scouting Movement at a camp on Brownsea Island in England and his wife, Lady Olave Baden-Powell, the World Chief Guide. This is a time of celebration for Scouts Canada and Girl Guides of Canada - a time when two worldwide youth Movements honour their heritage and a time to recognize the good work both Movements do for the community.
